To engage all pupils in regular physical activity	<p>Junior Sports Leaders began to show success in 2018-2019 in involving children in physical activity. With an aim to continuing and improving this PE coordinator will meet with junior sports leaders to support their lunchtime activities.</p> <p>Ensure lunchtime supervisors have training on running playground games sessions.</p> <p>In 2018-2019 we began a once a week adventure walk during a lunch break. This encouraged pupils who are possibly less likely to be involved in sports to become more active. Therefore we will continue the 'adventure walk' which happens once per week at lunchtime.</p> <p>In 2018-2019 Soccerstars Uk ran afterschool sports clubs for us. This was popular with pupils and we aim to continue and extend provision such as this. We will seek and employ quality afterschool club coaches, linking with PE lessons like multi-sports and football training.</p>	School

The profile of PE and sport is raised across the school as a tool for whole-school improvement	In 2018-2019 we began to use outdoor learning as a tool for developing learning attitudes within our pupils. This was successful, we will therefore aim to use sessions such as Red Dot, Outdoor Adventure times and other outdoor learning opportunities, to encourage children outside their comfort zones. We aim to build resilience, courage, empathy and teamwork skills which will positively impact the school as a whole.	Red Dot Simon Perkins Learning Adventures School Staff	As above plus other outdoor learning opportunities as they arise throughout the year.	As above
To ensure children experience a broad range of sports and activities	Due to the gradual decline of quality coaching from our previous provider, we have decided to seek other, more suitable sports professionals. By doing this, we also aim to expose pupils to a wider range of high quality sports coaching. This should allow pupils to experience different things, previously not offered. In turn this will show pupils that if one sport does not suit them, that there are many others to try. It should also broaden skill sets across year groups.	Derby Blazers basketball coaches employed.
