

Our Governors

The Governing Body of the school is made up of people from a variety of backgrounds. Some of the Governors are parents. The school Governors comprise a group of individuals, who are elected, nominated or co-opted, and are representative of parents and teachers, the LA and the local community. School Governors work with the Headteacher and are responsible for setting the strategic direction of the school.

Meetings are held at least once each term and committees meet in addition to main Governing Body meetings. The committee structure gives more detailed information.
