

Hemington Primary School
Class 3 - Summer 1 Homework Mat

This letter will give you all the information you need about our new 'Challenge at Home' homework. Our topic this term is 'The Transatlantic Slave Trade and North America' therefore, most of the activities will be related to this topic. The idea behind this homework mat is that you and your child will have a go at things together and record what you have done and evidence it through Seesaw. You can choose any way that you would like to record your experiences, for example, you can use pictures, photographs, writing, cartoons/comic strips or you could take pictures of any pieces of work you create and send them in via Seesaw. You can also choose the order in which you complete the challenges. Please don't worry if you do not get chance to complete all of the challenges, as they are designed for you to pick and choose which activities you would like to do with your child and those that fit around your family life. We do hope that you can complete as many challenges as possible so that your child can share their successes!
