Hemington News

14th October to Nov 1st 2024

Dear Parents and Carers

I hope you are all well and had a lovely half term break. The week before half term was a busy one. On the 15th October the whole school took part in the National Big Draw. This was an opportunity to promote art, drawing and the benefits of them. The theme was movement so the children used charcoal, paint and pencils to create their pictures. Classical music was played and the school felt very relaxed and calm.

On Thursday 17th October King Fishers went to Cadburys World. This was to finish off their Mayan topic in style and consolidate their learning on how chocolate was created and how it is produced now. The children thoroughly enjoyed it particularly the delicious freebies.

This week we have been celebrating Black History Month, each class has focused on a famous Black person who had a significant impact on history.

On **8th November** we will be walking to the war memorial at **2.30** to pay our respects to all those soldiers who fought for our country. All are welcome to listen to words from the Vicar and children and join us in placing our wreath.
