Hemington News
8th to 19th June 2026

Dear Parents and Carers

We are delighted to let you know that Mrs Hassell is expecting a baby. This is wonderful news, and I'm sure you will join us in congratulating her at this happy time. She will be commencing maternity leave from October 2026. We will keep you updated regarding arrangements to ensure continuity for the children during this period.

In addition, we would like to inform you that, sadly, Mr Pattinson will be reducing his working hours from August 2026. He will still be leading our PE sessions, but not carrying out the TA time in the mornings. This is to enable him to pursue his PE career and train to be a teacher. We wish him luck with this and are confident he will be amazing! This change has been planned, and we are putting appropriate measures in place to ensure that the high quality of care and learning continuesIf you have any questions or would like to discuss this further, please do not hesitate to speak to me or Miss Timbrell

I am extremely pleased to announce that Johnsons Printwear & Embroidery is up and running.
They have all the latest machines, software and everything is made in house. They will be supplying the Hemington uniform. They have samples of all the schools uniform in all sizes to try on, order and collect from another independent business on Borough street. They will be in school selling uniform and taking orders on the 3rd of July from 1.30pm and will be around at the end of school

If you require anything, please email or call as the website has taken a little longer than expected to complete. For more details email:info@johnsonsprintwear.co.uk

Have a wonderful weekend,
